## **DETAILED ACTION**

### ***Terminal Disclaimer***

The terminal disclaimer filed on 3/18/04 disclaiming the terminal portion of any patent granted on this application, which would extend beyond the expiration date of US Patent No. 5,572,851 has been reviewed and is accepted.

The terminal disclaimer has been recorded.

### ***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance:

Claims 1-5 and 7 are allowed in consideration of the Terminal Disclaimer filed 3/18/04, and in consideration of the claim language of the conflicting '851 Patent; Also see the double-patenting rejection of the Office Action mailed 1/22/04.

The cancellation of claim-6 is acknowledged as being redundant over the description of the base portion as cited in instant independent claim-1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
